#### President's Column

Greetings. We now have another show under our belt, and it was a good one. As usual, we met new faces, did things a little different, and Red came out on top again. As far as your opinion of the show, please let me know what you think, just drop me a note, a call, or talk to me at the next meeting. I really did like the awards we gave out this year and really enjoyed having the two new Case IH tractors on loan from Birkey's. It was a real treat to most folks actually being able to sit in a new tractor like that. As far as the rest of the year, we have a few things left to go to, including our banquet. So I hope to see you there. Dan

#### Secretary's Say

I want to thank everyone for their donations for the silent auction. We did really well, bringing in \$1,697 for that and the pedal tractor raffle. The breakfasts brought in \$215 after expenses. All in all, not a bad weekend. Charlie
