#### President's Column

Greetings everyone. I'm really excited about the next two meetings! We have a special guest, Cam Parr from Country Insurance, to talk to us about tractor insurance. Please bring any questions you have to the September meeting.

And then for October, instead of our normal Monday meeting on the 16th we're going to visit the Putnam County Agricultural & Historical Museum in Hennepin and have a potluck on Sunday, October 15th. It will be quite an exciting time! Please mark your calendar in regard to this date change, and also consider carpooling. See you soon! Dan

#### Vice President's Column

Hello Club members. Summer is over, beans are turning and the corn is drying up. Can you believe it? Dad and I are reducing our collection and delivered a tractor to Attica, Indiana a couple of weekends ago, and wouldn't you know it, Dad found a nice little Farmall A along the way so we stopped, looked at it, yes, it ran and well, we bought it. So much for downsizing. I am opening up room in the shop and will really try this winter to get some long term projects done and off the list. Remember folks, with harvest season coming, be safe on the roads and please be patient. Kevin
