President's Column

Hello everybody... It's that time of year again, butterflies in my stomach and the show is a couple of weeks away. Things are coming together, and a few of us knocked the cobwebs off at Princeville last weekend and had a great time. Dan polished up the beer barrels on the ground during the barrel races, and Floyd Streitmatter rode in on his Oliver tractor and gave Dan a run for his money. Dan's finally got some competition! Plan to participate in some games at our show!

Looking a bit into the future, Charlie is really hitting the pavement to firm up some details for our club banquet in November, so be watching for info, and she just may have a surprise for the folks who are going....

Awesome weather lately, and lots of activity. Hope to see as many of you that can make it to our show.

Oh, and "thumbs up" to Doug Rabenhorst for getting the most votes for favorite tractor at the HOI Fair.
Kevin

Secretary's Say

Well, I have been very busy getting everything ready for the show. We've got less than two weeks to go, so need to get busy. Hoping everyone brings an item for the auction table. See you there!

We'll be asking you at the September meeting how many registered tractors and equipment items were at our show, so keep track when you walk around!

THINGS NEEDED AT THE SHOW:

Assistance: Please consider spending at least one hour at the Club membership table, raffle/silent auction, or bake sale areas so that everyone has a chance to break away and enjoy the events. Same goes for any other area you feel could use assistance when you're passing by. Stop in and offer. Just one hour goes by so quickly, and it shares the load. The only thing you need to bring is your smile! And for all of you who always work, work, work, take that break when someone offers. Remember, we are all doing this to have fun!

Tables: And if you can, please supply a table (labeled with your name) and some chairs.

Baked Goods: Bring your goodies in the morning on Saturday (we'll take them Sunday also). Items sell quickly, so we need lots!

CHECK OUT OUR FACEBOOK PAGE! YOU DO NOT NEED TO LOG IN TO VIEW IT.
