President's Column

Greetings all! I am happy to report that the Red Power Roundup was a wonderful show. Awesome tractors, people, and many things to see. It does not matter what show you go to, you will always see or talk to someone new, and boy did I learn about a lot of new things. That is why I encourage you to bring out those relics and show them off at our many wonderful events. I was also at Lacon in June, and it was a wonderful show, as I expect the HOI Fair and Princeville show to be.

On another note, the Farmall H made it to the Red Power Roundup, and it was a beauty, just like a new baby as if it just rolled off the assembly line. My brother was pretty proud of it as he drove it around the Roundup. I looked back at the records and see many dozens of people I worked with to get all of it back together, amazing! See you at the show. Dan
