President's Column

Dan Wiest

I am super excited about our last two meetings of the year. Our visit to Jerry Kuster's Old Red Farm Shed will be awesome, and we have some good food plans for the banquet next month. I really want you to attend. As you notice, we will have a dinner and meeting at Mary's before visiting Jerry's museum. If you were not at the September meeting but plan to come on Sunday for dinner, please let me know so they can plan for space at the diner.

Also, I want to share some updates on the IH 4100. With great progress, Monte has completed the frame paint job! As this was made in 1968, it was made with US Steel frame pieces. I think that it is really neat to find the mill marks on the frame. Still have a ways to go, with more updates coming soon.

Nominations

Nominations are open for any officer or director position for next year.

The Nominating Committee is: Kim Engquist, Karl Engquist (309) 647-5394, and Floyd Streitmatter. If you wish to throw your hat in or nominate someone for Officer or Director, let one of us know **before October 14.**

Dan acquired this wooden tractor (roughly 4' wide) at Willard Price's estate auction last month with the hopes of hanging it at the Museum.

Please bring your contact information along with any information about your tractor(s), so we can make up signage for the display and also for our record keeping as to what is out in each building.
