I am nervous, but excited about the show this year. We have lots of activities in place and should be a wonderful show. It is crunch time!! We need everyone to pull together and make this a wonderful event. Again let us know if you can help. We will have a list of final items to make happen through the show, as well as the set-up on Friday. If there are any questions about the facility, give Rob Robinson 309-251-8943 a buzz.
