President's Column

Hello everybody! Well, another show has come and gone. It's hard to believe that was number 8. Mother Nature sure treated us well, and the grounds were great. I think we finally have the layout figured out. So, thank you to everybody that made this year's show possible, without your hard work and dedication the show couldn't happen. And thank you to Willard Price and Bob Weedman for taking the extra steps during cleanup for removing the trash. That was no small task, and you beat some of us to it who were planning on taking some on later trips home.

As we are now moving forward, it's that time of year again. Be watching for combines, tractors and other equipment moving in and out of fields. We share our roads with them, so let's all slow down a bit and give them plenty of room as they begin this 2013 harvest. Stay safe, everyone, and I'll see you at the next meeting. Kevin

Secretary's Say

Thank you to all who donated items for the silent auction tables! We did very well, and as of the time I'm writing this we brought in \$1,655. The pedal tractor brought in \$262 and the breakfast brought in \$220.37 after expenses. I think we did better than in 2012. All in all, it was a busy weekend. Looking forward to next year! Charlie

Terry's Joke Corner

Eddie was driving down the road and a met a car coming the other way. Although there was room to pass easily, Eddie forced the oncoming car to slow down and wound down his window and shouted 'pig'. The other driver looked in his rear view mirror and swore at Eddie. Then his car hit the pig.
