August Show

What have you seen at other shows that we could easily do at ours to add some variety? Bring your ideas to the meeting, or contact one of the directors.

Our flyers will be our only paid advertising this year, so post and share them wherever you can.

Bartering Opportunities

Wildlife Prairie Park is offering us a deal...they will have live animal displays (some are for petting) both Saturday and Sunday - 11am to 3pm at our August show in exchange for us committing to display some tractors at three of their upcoming events, so we need some volunteers. Maybe include a ride on/drive opportunity - that was liked last year.

June 15 Fathers Day
July 26 Kids Pioneer Day
August 9 Members Day

Please contact Paul McKim to sign up for any of the above.

Barnyard Discoveries is looking for 1/16 scale tractors to display in their travelling exhibit. Our club will get a lower rate at our show in exchange for model tractors, so look at your collections to see if there's anything you'd like to donate...or purchase one and donate it to the Club.

Princeville Ag Team

The next gatherings will be on May 8 and June 12 at Princeville Heritage Museum at 6:00 p.m. Contact Roy Maguire with questions @ 274-2683 or roy.maguire@wildblue.net. We also plan to move payloader from bldg 2 to 3 this Saturday Apr 19th at 9am.

Trivia

Besides being an innovator of the auto industry, Henry Ford invented which of the following:

"The Junk Drawer"

Everybody's got one, including us!

I'll be bringing the "drawer" to the meetings for anything that has served its purpose at home but you think someone in the club might enjoy. This can be reading material, calendars, household items (things that are related to our club interests).
