#### Nominations

**Please make our jobs easier by giving Carroll Holloway or Kevin Engquist a call if you would like to run for one of the Officer positions for 2015, or to recommend someone.** There is a good support system through prior officers, and we are getting more streamlined each year. It's a great opportunity to help our club continue to move in a forward direction. Secretary, Assistant Secretary, and Vice President positions need to be filled for 2015.

#### President's Column

Greetings, it is harvest time!! If you have been out and about anytime lately, you would see the flurry of activity in and around the fields. Please be safe and give those big combines some space.

I also want to encourage you to attend the next meeting. I believe we have ideas for next year we want to run by you.

We also have a few openings for club officers, so let me know if you are interested in helping in any way.

Also, be sure to get your banquet signup in, and bring a buddy!! Anyhow, enjoy the weather and remember to share a little farm heritage to those that need it. Dan

#### Good times are better when they're shared with friends!

If you're going to put yours up, might as well be where they can be enjoyed by others. Contact Roy at [roy.maguire@wildblue.net](mailto:roy.maguire@wildblue.net) or 309-274-2683 for more details.

Please share photos you took at the show on our Facebook page, or copy them to a flash drive or dvd and give to Kim Engquist at the next meeting.
