59 families paid for 2015
1 Sponsor

Income \$1,525 (no change)
Expense \$405
Balance \$1,120
Savings \$7,205 (no change)

President's Column

As I write this, It is Mother's Day, and how important is that to all of us. My mom was a farm mom, not only managing the house, but also running equipment, raising animals, getting supplies and the list goes on and on. As with most of the family get-togethers, we reminisce about the good old days - my wife can attest to that, as she has heard the stories dozens of times. But those stories bring back the past, even if for just a minute. I hope you can reminisce for a moment and remember those stories of your moms. Hats off to moms everywhere!
Dan

We had fun at the Open House at Princeville Museum on April 11th. Matt Wiegand brought his hit & miss engine and various driven items.

Tinkerer's Tip on Carburetor Rebuilds

Before you rebuild a carburetor, install new filter and fuel lines, add and siphon gas out of tank 3 times (or more), check to see if your tank has a stand pipe. Check it and clear out all the rust and debris.

Tractor Trivia

International Harvester made home appliances as we all know. The refrigeration division was common for many vehicle manufacturers, which in many cases ended up being spun off into brands we may be familiar with. Please match these vehicle manufacturers with their corresponding appliance brand name:

Ford
Chrysler
General Motors
American Motors (Nash)
Studebaker
Crosley
International Harvester

Crosley
Philco
Airtemp
Franklin
Frigidaire
Whirlpool
Kelvinator

Last Month's Trivia

In 1979 IH made a change to some of their line of Cub Cadet garden tractors that carried through the 1981 model year, but this change did not get made to all tractors produced. What was the change? And why didn't all machines even with the same model number receive the same change?

They began painting Cub Cadets their signature IH Red. The difference was that only the units being sold through IH dealerships were painted red. The same models being sold at hardware stores and home improvement centers were still painted traditional Cub Cadet yellow and white.
