President's Column

Greetings: I hope all is going well and you enjoyed the show. We had some nice weather and had a good time. I appreciate everyone who pitched in and helped and am thankful for all who attended.

I hope you still spend the rest of the summer at events around the area. I try each year to venture out, and if possible go to a new show and check out what happens out there. Hope to see you at the next meeting so we can talk about it.

Dan Wiest

THANKS AGAIN to all who participated in the HOI Fair display. I believe there were 26 items there, and we received many positive comments from the fair Board, visitors, and even workers.

Lewie Haney got the leaky tractor recognition for the 2nd year now, and he told me I'd leak too if I was that old (he was talking about old as his tractor, not him).

A few members had an impromptu tractor drive from the fairgrounds to the Wheels O'Time Museum to display their tractors out front for the week (let's plan to do this next year). Again, I heard several good comments from people who didn't realize they were our tractors!

The drive from Wheels O'Time to Princeville was well attended, and Lewie, who was under the weather, was there in spirit as Kevin trailed his tractor at the end of the lineup.

Princeville Ag Team

Join the Princeville Ag Team on
August 13 and September 10
from 6-8 p.m. to tinker on planned
projects at the Museum. Contact
Roy Maguire with questions at
(309) 274-2683.

The Ag Lab in Peoria will be
holding an open house on
October 9-10. You must get a
ticket in advance, and they are
now available for pickup at the Ag
Lab (receptionists desk to the
right as you go in the front door)
from 8 - 4:30 M-F and at the
Peoria Riverfront Museum. This
is the first time in 15 years that it
has been open to the general
public, and hard to tell when this
might happen again. A name
must be assigned to each ticket
picked up, and we think there will
be 20 tickets available for each
tour time.

Sale Barn

Please submit ads to Kim Engquist.
Sale barn ads are no charge to club
members or sponsors and will be ran
as space allows. Please notify her

Tractor Trivia

How many registered items were at
our show last month?

Last Month's Trivia

In 1966, John Deere made a big
decision to "give away" millions of
dollars and 6 years worth of
R&D. What did John Deere give
away that changed tractors
forever?

Rollover protection. They shared
their patent at no charge with the
industry so that everyone would
have this important safety feature
built into each tractor

Bill Zimmerman led the pack for the
tractor drive on July 24th. It was a
beautiful morning, and thankfully
every tractor made it to Princeville
on its own power.
