President's Column

One of the best things to do sometimes is to go with friends to tractor shows. I had the opportunity go to with Kevin and Kim to the Half Century of Progress show in Rantoul. As usual, it was a wonderful show with lots of unique things to see. We grabbed a bunch of pictures and will be happy to show those at the next meeting.

There are a few more shows out there to go see and we have some more events coming up with the club this fall. I hope to see you out and about.

The Ag Lab in Peoria will be holding an open house on October 9-10. You must get a ticket in advance, and they are now available for pickup at the Ag Lab (receptionists desk to the right as you go in the front door) from 8 - 4:30 M-F and at the Peoria Riverfront Museum. This is the first time in 15 years that it has been open to the general public, and hard to tell when this might happen again. A name must be assigned to each ticket picked up, and we think there will be 20 tickets available for each tour time.

SAVE THE DATE

Our annual meeting/banquet will be on Sunday, November 8th at Princeville Heritage Museum. Watch for details in the next newsletter.
