Greetings, I hope you had a wonderful 4th and saw some family and friends and fireworks. We sure did back in South Dakota and had a lot of fun! I have included a picture of my brother on the Farmall H in the local parade. It shines and shines!

On to our fun and games. I hope you can make it out. To our Summer Harvest show. Working together, we can make the show a breeze. Please help where you can. Thanks in advance for helping make this another awesome show!
